Dear Miss Freeman,

Very glad to have your letter with its account of your present experiences. I should very much like to have from you a little story of your experiences in the Night Court. We wish you all good luck in your difficult work of breaking up new ground and generating new forces of enthusiasm.

I enclose the message for which you ask for your meeting in the Carnegie Hall. I hope it meets the purpose.

With all good wishes and affectionate greeting,

Yours very sincerely,

In haste, E. Pethick Lawrence

P.S.

I am sending 2 additional copies because I think they might be useful for the press.
